2nd EPNS Masterclass 2017 – Registration open and places still available!

Following the enormous success of our inaugural 2015 Masterclass we are delighted to host a 2nd EPNS Cambridge Masterclass!

We are very excited to have Siri Hustvedt contributing to the meeting. Siri is a writer of novels and non-fiction including a highly-acclaimed account of her own experiences of “medically unexplained” functional neurological symptoms. She lectures on psychiatry, medical humanities and neurosciences courses. She wonders what happens — rhetorically and physiologically — when we change our minds.

EPNS Training Courses 2018: Alicante, Spain *Save the date!*

<http://www.epns.jmre.es/epns-training-course-2018-alicante/>

The EPNS has been organising training courses in paediatric neurology since 2003 specifically aiming at trainees but also at qualified paediatric neurologists who want to refresh their knowledge on certain topics. The aim is to cover most main topics in the syllabus over a three-year cycle and to promote contact between individuals in the speciality in different parts of Europe. The course has a highly interactive character and participants are encouraged to bring (difficult) cases to discuss. The number of participants is limited and applicants who wish to attend both courses will be given priority over those who wish to attend one of the two courses. The cycle of training courses 2015-2017 took place in Budapest, Hungary. We are excited to announce that the next cycle of training courses 2018-2020 will take place in beautiful Alicante, Spain.

Program Director: Professor Francisco Carratala, Spain

The first training courses will be held in Alicante: 8 – 11 May 2018. More information to follow.

EPNS 2017 annual subscription fees *payment due!*

The EPNS financial year runs from 1 January until 31 December each year and therefore EPNS annual subscription fees for 2017 are now due!

Thank you to the many members who have already paid. **If you have not paid yet** – please do so as soon as possible.

- Payment can be made via the EPNS website <http://www.epns.info/> by selecting the orange 'I'm a member' button on the right-hand side of the screen.
- Access to the on-line [European Journal of Paediatric Neurology](#) will only be available to members who have paid their 2017 annual fee.
- EPNS members who have paid their 2017 annual subscription fee benefit from significantly discounted member only delegate rates at our EPNS Congress in Lyon 20-24 June 2017

European Journal of Paediatric Neurology (EJPN)

The [European Journal of Paediatric Neurology](#) is the official Journal of the EPNS and is available to all members who have paid their current year subscription fee (either on-line only or printed and on-line access, depending on the fee paid). It is a multi-disciplinary journal publishing exciting clinical and experimental research in this rapidly expanding field. High quality papers written by leading experts encompass all the major diseases including epilepsy, movement disorders, neuromuscular disorders, neurodegenerative disorders and mental retardation.
