 - 14th EPNS Congress: Glasgow, UK: 2021

EPNS Neurokids App and corresponding Workbook – an innovative answer to the clinical challenges in child neurology!

The latest exciting EPNS project! With the basic idea of Mind Maps, the classic textbook has been further developed to provide faster and more targeted information – in English, designed for daily professional practice, bundling the broad clinical spectrum. The App in particular is ideal for daily work and can be used on iOS 10 and Android devices. The Neurokids Workbook and App are now available as a package to all **fully paid up members** of the EPNS at the substantially discounted price of 20 Euros plus 6 Euros postage and packaging, i.e. a **total cost of 26 Euros**.

The package can be ordered and paid for by logging into the EPNS website <http://www.epns.info/> and selecting 'Subscriptions', 'Make new payment', 'Neurokids Workbook and App 26 Euros', 'add to cart', 'checkout via Credit Card' and follow the payment instructions. Please do not hesitate to email info@epns.info if you have any questions.

EPNS Elections results to be announced soon!

Thank you to all EPNS members who put themselves forward as candidates to join the EPNS Board 2018-2022 and also to all EPNS ordinary members who recently cast their votes. The voting has now closed, and the results of the election will be communicated by email in the near future.

EPNS Visiting Teacher 2017 feedback

The EPNS Visiting Teacher 2017 was awarded to Mrs van der Louw MSc dietician, the Netherlands to visit Georgia. The visit has taken place and we are thrilled to share with you a report from the Tbilisi State Medical University <http://www.epns.info/epns-visiting-teacher-2017/>

European Journal of Paediatric Neurology (EJPN)

The [European Journal of Paediatric Neurology](#) with an impact factor of more than 2, is the official Journal of the EPNS and is available to all members who have paid their current year subscription fee (either on-line only or printed and on-line access, depending on the fee paid). It is a multi-disciplinary journal publishing exciting clinical and experimental research in this rapidly expanding field. High quality papers written by leading experts encompass all the major diseases including epilepsy, movement disorders, neuromuscular disorders, neurodegenerative disorders and mental retardation.

Please visit <http://www.sciencedirect.com/science/journal/10903798> to see the content of the latest issue.

EPNS Training Courses 2018: Alicante, Spain *Save the date!*

<http://www.epns.info/epns-training-course-2018-alicante/>

The EPNS has been organising training courses in paediatric neurology since 2003 specifically aiming at trainees but also at qualified paediatric neurologists who want to refresh their knowledge on certain topics. The aim is to cover most main topics in the syllabus over a three-year cycle and to promote contact between individuals in the speciality in different parts of Europe. The course has a highly interactive character and participants are encouraged to bring (difficult) cases to discuss. The number of participants is limited and applicants who wish to attend both courses will be given priority over those who wish to attend one of the two courses. The cycle of training courses 2015-2017 took place in Budapest, Hungary. We are excited to announce that the next cycle of training courses 2018-2020 will take place in beautiful Alicante, Spain.

Program Director: Professor Francisco Carratala, Spain

The first training courses will be held in Alicante: 8 – 11 May 2018.

Topics:

- **8 and 9 May 2018: Acute Neurology**
- **10 and 11 May 2018: Immune mediated diseases and infections**

More information to follow.

EPNS Research Meeting 2018: Alicante, Spain Save the date!

<http://www.epns.info/epns-research-meeting-2018/>

We are pleased to announce that the 6th EPNS Research Meeting 2018 will be taking place in Alicante, Spain on **26 – 27 October 2018**. More details to follow!

If you would like to learn more about our EPNS Research Meetings, please visit

<http://www.epns.info/research-meeting-2016/> to see what happened in Essen last year.

EPNS 2017 annual subscription fees *payment due!*

The EPNS financial year runs from 1 January until 31 December each year and therefore EPNS annual subscription fees for 2017 are now due!

Thank you to the many members who have already paid. **If you have not paid yet** – please do so as soon as possible. In October members who have not paid their current fee will start to be removed from the EPNS database.

- Payment can be made via the EPNS website <http://www.epns.info/> by selecting the orange 'I'm a member' button on the right-hand side of the screen.
- Access to the on-line [European Journal of Paediatric Neurology](#) will only be available to members who have paid their 2017 annual fee.

Free copy of 'Principles and practice of child neurology in infancy'

We are delighted to inform you that the EPNS will continue to offer new and existing EPNS members whose fees are paid up to date a free copy of '[Principles and practice of child neurology in infancy](#)' (Kennedy C (Ed.), Mac Keith Press, London, November 2012, recommended retail price £29.95 or €37.44). The 6 Euros postage and packaging cost can be paid in the same manner as the EPNS subscription fees. If you have any queries whatsoever, please Sue on info@epns.info

13th EPNS Congress: 18-21 September 2019, Athens, Greece *Save the date!*

<http://www.epns.info/congress-2019/>

14th EPNS Congress: 2021, Glasgow, United Kingdom

EPNS Certificate of Membership

This can now be requested by an EPNS member who has paid their 2017 annual subscription fee. Please email Sue on info@epns.info to request a certificate.

New EPNS membership

Please continue to encourage your colleagues to join us. A convenient on-line application form is available on our website <http://www.epns.info/become-an-epns-member/> For more information email Sue on info@epns.info . Many thanks.

Welcome to all our new members! So far this year, 300 new members have joined the society!
