<https://www.epns.info/epns-teaching-course-in-uzbekistan-13-15-march-2019/>

The EPNS was delighted to be involved with a training course in Tashkent, Uzbekistan last month. Sincere congratulations to the three winners of the best clinical case awards:

- Tojiboyev Nurbek
- Jalilova Shakhzoda
- Nishonov Tuychiboy

2nd neonatal Epileptology & Clinical Neurophysiology Course Catania, Sicily: 11-12 April 2019

An excellent meeting, with lots of lively and interesting discussions attended by Professor Sameer Zuberi, EPNS President.

European Journal of Paediatric Neurology (EJPN)

The [European Journal of Paediatric Neurology](#) with its recently announced increased impact factor of 2.36, is the official Journal of the EPNS and is available to all members who have paid their current year subscription fee (either on-line only or printed and on-line access, depending on the fee paid). It is a multi-disciplinary journal publishing exciting clinical and experimental research in this rapidly expanding field. High quality papers written by leading experts encompass all the major diseases including epilepsy, movement disorders, neuromuscular disorders, neurodegenerative disorders and mental retardation.

14th EPNS Congress: 2-5 June 2021 Glasgow, United Kingdom Save the date!

The local organising committee held their first meeting in January, and work has now started on developing the programme.

15th EPNS Congress 2023

The bidding process will be completed in September 2019.

EPNS supporting educational events

Read all about the events which the EPNS will support this year

<https://www.epns.info/epns-supporting-educational-events-2019/> and to check eligibility and to apply visit <https://www.epns.info/request-for-epns-to-support-an-educational-event/> Please note that 3 events have already been agreed for 2019, and therefore no more applications for 2019 can be accepted. Applications for support in 2020 are welcome.

Together we are stronger: EPNS collaborating with related associations

It is crucial we develop collaborative relationships with the network of national, international and global associations, and as a result, we have been contacting other related societies. Together we are stronger in our role to promote training, clinical care and scientific research in the field of Paediatric Neurology and as a collective force we can bring about greater change for children with neurological issues.

EPNS Certificate of Membership

This can now be requested by an EPNS member who has paid their annual subscription fee. Please email Sue on info@epns.info to request a certificate.

New EPNS membership

Please continue to encourage your colleagues to join us. A convenient on-line application form is available on our website <http://www.epns.info/become-an-epns-member/> For more information email Sue on info@epns.info . Many thanks.

Welcome to all our new members! So far this year, 165 new members have joined the society.
