

EPNS Training Course: Alicante, 10-11 March 2020

Neuromuscular diseases Programme

Tuesday 10 March 2020: Neuromuscular diseases, Day 1

Moderator: Thomas Sejersen

08'30-08'50		Welcome, pre-course questions	Thomas Sejerson, Coriene Catsman
08'50-09'35		Muscular dystrophies: overview	Rosaline Quinlivan
09'35-10'00		Muscle pathology in children I (muscular dystrophies)	Olive Montse
10'00-10'30		Coffee break	
10'30-11'30		Spinal muscular atrophy	Gunther bernert
11'30-12'30		Case presentations/discussions	Participants/faculty
12'30-14'00		Lunch	
14'00-15'00		Myasthenic syndromes	Imelda Hughes
15'00-15'30		Tea break	
15.30-16.15		Management of neuromuscular disorders	Rosaline Quinlivan
16.15-17.15		Case presentations/discussions	Participants/faculty
17.15-17.30		10- post course questions	Coriene Catsman
TBC		Social event, including dinner	All

Wednesday 11 March 2020 : Neuromuscular diseases, Day 2

Moderator: Thomas Sejersen

08'30-08'45		10 pre-course questions	Coriene Catsman
08'45-09'30		Congenital myopathies: overview	Thomas Sejerson
09'30-10'00		Muscle pathology in children II (congenital myopathies, mitochondrial, glycogenosis)	Olive Montse
10'00-10'30		Coffee break	
10'30-11'15		Myotonic Dystrophies and channelopathies	Thomas Sejerson
11'15-12'15		Peripheral Neuropathy	Imelda Hughes
12'15-12'45		Case presentations/discussions	Participants/faculty
12'45-14'00		Lunch	
14'00-15'00		Acute disturbance of motor function	Thomas Sejerson
15'00-15'30		Tea break	
15'30-16'30		Diagnostic pathway of unknown neuromuscular disorder	Guenther Bernert
16'30-17'30		Neuromuscular disorders: potential new treatments	Thomas Sejerson
17'30-18'00		Summary of days/ key learning points / post-course questions, best presentation award	Thomas Sejerson , Coriene Catsman , faculty
