Hi ,

A new account has been requested at 'EPNS Moodle Platform'
using your email address.

To confirm your new account, please go to this web address:

<https://courses.epns.info/auth/oauth2/confirm-account.php?token=hDt94dMxnc...&useran...>

In most mail programs, this should appear as a blue link
which you can just click on. If that doesn't work,
then cut and paste the address into the address
line at the top of your web browser window.

If you need help, please contact the site administrator,

Admin User
webmaster@courses.epns.info

If you did not do this, someone else could be trying to compromise your account.
Please contact the site administrator immediately.

Just click (or copy/paste) the confirmation link in the next 30 minutes.

Once you visit this link, you will redirect to your profile in the EPNS Moodle Platform. You must fill at least the mandatory fields (name, surname and check email).

This is the home page of the platform. In this page you will see the Site announcements and all contents classified in categories of courses.

4.2. - Dashboard

The screenshot displays the Moodle Dashboard interface. At the top, the navigation bar includes 'Home', 'Dashboard', 'My courses', 'EPNS Exam', 'EPNS Education and Training', and 'EPNS Science and Research'. A red box highlights the 'Dashboard' link and the 'Edit mode' toggle in the top right corner. A red arrow points to the 'Dashboard' link. The main content area shows sections for 'Timeline', 'Recently accessed courses', and 'Calendar'. The right sidebar contains 'Private files', 'Online users', 'Latest badges', and 'Upcoming events'.

Dashboard is a custom section where you could view your last activity, calendar of activities that could be programmed in this platform, and other functionalities.

If you want to customize your dashboard you need to activate the “Edit mode” button (upper right corner) and add, modify or delete blocks.

The screenshot shows the Moodle Dashboard interface with the 'Add a block' dialog box open. The dialog box lists various block types: Comments, Course overview, Global search, Latest announcements, Latest badges, Logged in user, Mentees, Random glossary entry, Recently accessed items, Starred courses, Tags, and Text. The 'Edit mode' toggle is visible in the top right corner.
